JAMMER EAGLE

GSM - DCS - 3G - 4G Low - 4G High - WiFi 2.4-2.5 110W

Features

Eagle is our newest and improved desktop cellular smartphone jammer. This is what you would call a monster jammer that is able to disrupt GSM, 2G, 3G, 4G, and WiFi. It has absolutely no rivals.

It jams all of the cellphone and smartphone frequencies available for sale right now and it blurs those frequencies with an enormous amount of output power, 110W. This particular jammer is, beyond any doubt, superior to its "fellow colleagues".

Monster Jammer Eagle features 3 built-in cooling fans, located on its surface, and a few more fans on its sides, which will allow the jamming device to function continuously 24/7, without that affecting its overall output power, unlike all of the predecessors.

Product Code:	EAGLE
European Frequencies:	GSM 900: 920-960MHz 25W PCS & GSM dual band: 1800-1880MHz 15W 3G UMTS: 2100-2170MHz 20W 4G LTE High: 2620-2690MHz: 15W 4G LTE Low: 790-870MHz: 20W WiFi 802.11.b.g: 2400-2500MHz: 15W
Output Power:	110W
Jamming Range:	50-150 meters (Depending on signal strength)
Antenna Interface:	Omni directional (-75dBm)
Battery:	Optional
Power Adapter:	CA110 or 220-240V / DC 27V
Color:	Black
Dimensions (LxWxD):	460 x 235 x 95mm
Warranty:	1 Year
